Expert Opinions

"I don't think I've ever yet seen an adult sex offender who was not involved with pornography."

—Corydon Hammond, codirector of the Sex and Marital Therapy Clinic at the University of Utah

CP80 Releases Initial Draft of Legislation

The CP80 Foundation has recently completed its first draft of the Internet Community Port Act (ICPA) which has been released to a select few policy makers in Washington DC. It is The CP80 Foundation's hope that the new legislation will be introduced during the next session of the US Congress.

The opportunity for supporters of the CP80 Internet Channel Initiative & the ICPA to be heard loud and clear is coming.

Man Fined for Viewing Porn at Work

A New Zealand man was convicted of theft for downloading pornography and music videos while at work. Lawyers indicated that the case is similar to using a company phone for personal calls or a company car for personal use. The judge said that theft from an employer must be taken seriously.

Movie Clip

The CP80 Foundation is participating in a documentary film dealing with Internet Pornography, [Traffic Control: Driving Generation XXXX](#). The movie is a hard-hitting expose about the consequences of unrestricted access to Internet pornography that exists on the Internet today.

Join the AA-Team! (Action Alert Team)

The CP80 Foundation has created the AA-Team (Action Alert Team) in response to the overwhelming requests from individuals who want to do something to help the CP80 Initiative succeed.

Members of the team are asked to watch for news, discussions and blogs relating to CP80 and report them to us. Once we are aware of them, we will send an action alert to the team to let them know where they can go and what they can do to help.

If you would like to be part of the AA-Team, please [contact us](#).
