## Huntsman Signs "Stop Porn" Resolution

Friday, February 23, Governor Huntsman signed resolution HCR 3. The CP80 Foundation would like to thank everyone who took the time to contact their representatives.

There will be a future ceremonial signing and then an official state delegation will deliver the resolution to members of the federal government.

"We are excited about this first step. It shows that people are ready to take action," said Ralph Yarro, Chairman of The CP80 Foundation.

## Free Courses Available from The CP80 Foundation

**Get Educated. Get Involved.** There are four free courses available online to help you understand the issues surrounding Internet pornography:

- [How the Internet Works](#)
- [The CP80 Internet Channel Initiative](#)
- [Internet Governance](#)
- [What Parents Can Do](#)

The courses are currently available in English; however, due to the demand for the courses in more languages, the course are being translated. We would like to recognize those individuals who are currently working on translations for French, Spanish, Portuguese, Chinese, Romanian, Russian, Czech and Slovakian.

We are always looking for native speakers to help translate these courses and other important documents. Internet pornography is a global problem and the CP80 is a global solution.
