## TEAM CP80 Spotlight

**If We Don't  
Take Action,  
Who Will?**

Do you want to [get involved](#) but you aren't sure where to start? Traci from Arizona felt the same way:

*After reading Rebecca Hagelin's book, "Home Invasion", I felt empowered to take action against pornography. I knew pornography was detrimental, but I didn't know what to do. I found CP80 and was convinced it was essential in homes, schools and businesses. I contacted my state senator to voice her support for the resolution. I emailed local and national anti-porn organizations and pro family organizations and educated them about the resolution and the Internet Community Ports Act. Many of these organizations now support CP80. Please send emails and make phone calls, because*

*your representatives will listen!*

CP80 greatly appreciates the efforts of Traci and her family - they are active and very vocal members of Team CP80 in Arizona and across the country. You too can [make your voice heard!](#)

Thank you for supporting CP80! Please let us know about your efforts to stand up and be heard in your own community. You can post your successes in the [Share Your Story](#) section of the website, or email them to [info@cp80.org](mailto:info@cp80.org).

**Sincerely,**

The CP80 Foundation
